

## Support Fayetteville Academy Athletics - Join the Eagle Booster Club!

The Eagle Booster Club is composed of parents, faculty and staff, and friends of the Fayetteville Academy with the focus of providing spirit and funding for athletics. All of the money raised by the Eagle Booster Club goes to support ALL THE ATHLETIC PROGRAMS - team sports, the student sports medicine program, and weight lifting.

Membership, gate admission, and concession sales at athletic events are the primary fundraising activities of the Eagle Booster Club. Over the past several years, the Eagle Booster Club has provided funding for: athletic equipment, such as golf bags and a soccer trainer; trophies and awards; senior night gifts; sports medicine modalities; championship banners; team uniforms; resurfacing the tennis courts; improvements and updates to the locker rooms, weight room and training room - including flooring, new weight room equipment and audio-visual enhancements including the gym lobby; regulation cheerleading mats; updating the baseball batting cage; the aeration of the soccer field. The Eagle Booster Club also funds the Impact Test concussion program to better care for our student athletes. The needs of each individual team and/or program differ, and the Eagle Booster Club strives to meet those needs.

Membership includes free admission for your immediate family to all home athletic contests, (with the exception of conference and NCISAA state tournament play) and free use of the hospitality room (**for adults only**) at home basketball games.

*\*We are continuing an option again this year to reward you for your many years of support of the Eagle Booster Club. If you are interested in becoming a Lifetime Member, you will be allowed to apply all previously paid membership dues towards the \$2,000 cost of your "lifetime membership." For example, if you had been an Eagle Level (\$100) member for three years and then a Silver Eagle Level (\$275) member for three years you could apply the \$1125 already paid during those six years to a lifetime membership. You would owe a balance of just \$875 to join that select group of our most supportive Eagle Club members. If you are not sure where you stand, indicate on the form and we will find out and contact you.*

Three levels of membership are available:

- **Gold Eagle - \$2,000**  
This level entitles you to all the benefits listed above for an Eagle Club membership for your lifetime, two complimentary stadium seats, two Fayetteville Academy sport t-shirts (sport and size of your choice), and two complimentary seats at the annual Athletic Banquet. Your name will also be engraved on the gym lobby plaque listing Lifetime members. If an Athletic Banquet highlights video is produced, you will receive a complimentary copy.
- **Silver Eagle - \$275**  
This level entitles you to all the benefits listed above for an Eagle Club membership, a Fayetteville Academy lap blanket, and one Fayetteville Academy sport t-shirt (sport and size of your choice). If an Athletic Banquet highlights video is produced, you will receive a complimentary copy.
- **Blue and Gold Eagle -\$100**  
This level entitles you to all the benefits listed above for an Eagle Club membership, a water bottle, and one Fayetteville Academy sport t-shirt (sport and size of your choice).

We invite you to join! We look forward to cheering with you! GO EAGLES!
