Academy Arts & Entertainment Club

AAEC
2019-20

The newly established Fayetteville **Academy Arts & Entertainment Club** invites you to participate in an exciting sponsorship opportunity that directly benefits our accomplished Fine Arts Department! Your tax-deductible donation not only provides you with the corresponding benefits below, it also supports the high-quality Fine Arts productions we've come to expect at the Academy. In the 2019-2020 school year these events are expected to include theatrical performances, fall and spring concerts/galas, county and state competitions, community service activities and various other events through which the FA Fine Arts professionals provide our students with an unmatched educational experience. Theatre production costs related to improved audio and lighting alone are expected to reach approximately \$15,000 this year; however, this is an investment in our future as the costs reflect the decision to purchase equipment previously rented.

The **Academy Arts & Entertainment Club** has pledged to support these goals, but we cannot do it alone. We need financial support from our families, friends and community businesses. Fayetteville Academy is a 501 (c) (3) not for profit NC Corporation, so your donation is tax deductible. Your generosity is greatly appreciated.

It's time to invest in the Arts at Fayetteville Academy!
